CRYSTAL LIN

Queens, NY cl6450@nyu.edu

EDUCATION

New York University Shanghai — **Shanghai, China**
B.S. in Neural Science | GPA: 3.65/4.0 — *Dec 2025*
Relevant Courses: Organic Chemistry I-II with Lab, Intro to Neural Science, Behavioral & Integrative Neuroscience, Cellular & Molecular Neuroscience, Intro to Psychology with Lab, Biochemistry I

CLINICAL EXPERIENCE

Newtown Gastroenterology — **New York City, NY**
Medical Assistant & Receptionist — *Jan 2026 – Present*
- Conduct 360+ hours of patient intakes—collect vital signs, document chief complaints, and perform diagnostic exams, including Urea Breath Test (UBT) and SIBO testing to support physician assessment
- Perform 500+ IV catheter discontinuations, assist in post-anesthesia recovery, discharge assessment, and provide post-op instructions per MD for safe handoffs and smooth procedure-day bed turnover
- Maintain accurate patient records in Enki and iClinic, including ICD-10 coding and same-day post-op report delivery to PCPs

Imideology — **New York City, NY**
Patient Care & Research Assistant — *Jun 2025 – Oct 2026*
- Conduct monthly Chronic Care Management check-ins for 10+ IMID patients—review medication adherence, coordinate personalized care plans, and flag concerns to supervising clinicians—to bridge gaps in care between office visits
- Co-author a chapter in *Living with Fire* on exercise & IMID symptoms to simplify clinical content across health literacy levels
- Support a Remote Patient Monitoring pilot study over 110+ hours by conducting participant interviews and data collection

Weill Cornell Medicine - NewYork-Presbyterian — **New York City, NY**
Shadowing Intern — *Jun 2024 – Jan 2025*
- Observed 200+ oncology consultations, building knowledge of protocols involving chemotherapy, radiation, & targeted therapy
- Served as a Cantonese language liaison during oncology consultations, supporting accurate communication of diagnoses and treatment plans for non-English-speaking patients

Rendr — **New York City, NY**
Clinical Intern — *Sept 2024 – Dec 2024*
- Performed EKG and spirometry in a high-volume primary care setting, gaining hands-on experience with diagnostic procedures
- Performed venipuncture and packed blood/urine samples for laboratory submission, following proper handling protocols
- Administered cognitive and mental health screenings—including Mini-Cog, SLUMS, PHQ-9, and GAD-7—and accurately documented results in patient charts in eCW for physician review

ACTIVITIES

The Silvercrest Center for Nursing and Rehabilitation — **New York City, NY**
Volunteer — *Jun 2024 – Oct 2024*
- Organized and led 20+ therapeutic recreation events—arts and crafts, book clubs, poetry writing, exercise sessions, and church services—for 20+ long-term care residents to reduce patient stress and support care continuity
- Conducted one-on-one social rounds with 15+ patients, promoting physical well-being and attentive engagement

NYU — ECNU Institute of Brain and Cognitive Science — **Shanghai, China**
Lab Assistant — *Oct 2023 – May 2024*
- Ensured accurate EEG data collection by preparing equipment through cap fitting, electrode placement, and gel application
- Aided participants in completing studies by explaining procedures and facilitating consent through clear communication

SKILLS & INTERESTS

Skills: Vital signs, IV catheter discontinuation, EKG, UBT/SIBO testing, HIPAA, iClinic/MDLand, eCW, Epic, Enki, venipuncture
Research: EEG setup, SPSS, survey design, patient interviews, IRB-compliant consent
Language: English (Native), Cantonese (Native), Mandarin (Conversational)
Interests: Swimming, cooking, piano, knitting, cats
