CLINICAL EXPERIENCE

Newtown Gastroenterology **New York City, NY**
Medical Assistant & Receptionist *Jan 2026 – Present*

- Conduct 540+ hours of patient rooming and intake for ~45 patients/day—collect vital signs, document chief complaints, complete medication reconciliation, and perform point-of-care tests, including Urea Breath Test (UBT) and SIBO testing.
- Perform 500+ IV catheter discontinuations, assist in post-anesthesia recovery and discharge assessment, and provide post-op patient education per MD for safe handoffs and smooth procedure-day bed turnover.
- Maintain patient records in Enki and iClinic EHRs, including ICD-10 coding and same-day post-op report delivery to PCPs.
- Coordinate patient check-in and checkout—verify insurance, schedule in-clinic follow-ups and procedures, and send demographics, recent labs, requisitions, and referrals to outside radiology centers for prior authorization and imaging.

Imideology **New York City, NY**
Patient Care & Research Assistant *Jun 2025 – Oct 2026*

- Conducted monthly Chronic Care Management check-ins for 10+ IMID patients—reviewed medication adherence, coordinated personalized care plans, and flagged concerns to supervising clinicians—to bridge gaps in care between office visits.
- Co-authored a *Living with Fire* chapter on exercise and IMID symptoms to simplify clinical content across health literacy levels.
- Supported a Remote Patient Monitoring pilot study over 110+ hours by conducting participant interviews and data collection.

Weill Cornell Medicine — NewYork-Presbyterian **New York City, NY**
Shadowing Intern *Jun 2024 – Jan 2025*

- Observed 200+ oncology consultations, building knowledge of protocols involving chemotherapy, radiation, and targeted therapy.
- Served as a Cantonese language liaison in oncology consults, helping patients understand diagnoses and treatment plans.

Rendr **New York City, NY**
Clinical Intern *Sep 2024 – Dec 2024*

- Performed spirometry and 20 EKGs in a high-volume primary care setting to support cardiac and pulmonary assessment.
- Performed venipuncture and packaged blood/urine specimens for laboratory submission, following proper handling protocols.
- Administered cognitive and mental health screenings (Mini-Cog, SLUMS, PHQ-9, GAD-7), charting results in eCW.

EDUCATION

New York University Shanghai **Shanghai, China**
B.S. in Neural Science | GPA: 3.65/4.0 *Dec 2025*
Relevant Courses: Organic Chemistry I-II with Lab, Biochemistry I, Anatomy & Physiology, Microbiology

ACTIVITIES

The Silvercrest Center for Nursing and Rehabilitation **New York City, NY**
Volunteer *Jun 2024 – Oct 2024*

- Organized and led 20+ therapeutic recreation events—arts and crafts, book clubs, poetry writing, exercise sessions, and church services—for 20+ long-term care residents to reduce patient stress and support care continuity.
- Conducted one-on-one social rounds with 15+ patients, promoting physical well-being and attentive engagement.

NYU — ECNU Institute of Brain and Cognitive Science **Shanghai, China**
Lab Assistant *Oct 2023 – May 2024*

- Ensured accurate EEG data collection by preparing equipment through cap fitting, electrode placement, and gel application.
- Aided participants in completing studies by explaining procedures and facilitating consent through clear communication.

SKILLS

Clinical: Vital signs, rooming, medication reconciliation, phlebotomy, specimen collection, point-of-care testing, EKG/ECG
